About Us

Hello and welcome,

This place is very special to us. It's our first vacation home and although it was built in 2003 we have refurbished and renovated most of the home. From transforming the basement to an entertainment room, to remodeling the bathrooms and decorating the whole cabin.

We have so many great memories attached to it already and we hope you can enjoy it as much as we do. It's a great spot to explore the many outdoor activities nearby. As well as discover the close town of Asheville. In this manual, you'll find useful information that we've compiled to help our guests make the most of their stay. We hope you enjoy and care for the place as much as we do.

How To

Groceries: The nearest grocery store is the Ingles on Sand Hill Rd and Smokey Park Hwy in Candler. To get there, go left on Pisgah Hwy, then make a right on Smokey Park Hwy, turn right in Sand Hill Rd and the Ingles will be on your right hand side. We also have a Dollar General 4.6 miles away on Pisgah Hwy in case you need any supplies.

Gas Station: The nearest gas station is 2.6 miles away on Pisgah Valley Market. Turn left on Pisgah Hwy and the gas station will be .05 miles on your left hand side.

Firepit: Please use good common sense on fire safety! Keep your fire smaller than what the pit can accommodate, you wouldn't want to start a wild fire! If there is kindling and wood stacked out in the back of the cabin, feel free to use it. You can also buy fire wood at any grocery store or gas station. Please be mindful of our plants and take care of them when sitting by the pit. When you're finished, use the hose at the right back side of the cabin to spray down your embers when you're finished. Please don't leave any trash out on the yard.

BBQ: Feel free to use our BBQ on the deck. To turn it on make sure the gas bowl is turned on deck floor by the BBQ. The BBQ tools are on the BBQ. Please make sure you clean the BBQ after every use, we have bears in the area and we wouldn't want them to damage our cabin or disturb your stay.

Trash: Bag and seal all your trash and throw it on out in the outside trash bin near the front of the cabin. Our cleaning crew will pick up the trash can every Monday night or Tuesday morning.

Plumbing: Please be kind to our plumbing system! Do not put food down the kitchen sink and do not flush anything other than human waste down the commodes.

TV's and Soundbar: At the moment we only offer streaming services.
